## The Heller School For Social Policy and Management

KNOWLEDGE ADVANCING SOCIAL JUSTICE

**Ranked #3 among social  
policy schools by U.S.  
News and World Report**

### Heller Degree Programs:

**Ph.D. in Social Policy**, educating students for careers in research, teaching, social planning, administration, and policy analysis.

**The Heller M.B.A.**, preparing leaders for management positions within nonprofit, for-profit, and public institutions pursuing social missions.

**The M.A. in Sustainable International Development**, educating leaders to design and manage local, regional, national, and international developmental programs.

**The M.S. in International Health Policy Management**, preparing professionals for leadership roles in government health ministries, planning agencies, and nongovernmental organizations.

### Make a difference!

Students choose The Heller School because of their interest in blending analytical thinking and technical skills with vision and passion, and their wish to be a part of a community interested in addressing the causes and effects of social and economic disparities.

### Tackle Social problems from a knowledge base

Heller prepares future scholars, policy analysts, managers, and public leaders who will tackle the most pressing social problems of the 21<sup>st</sup> century.

### For more information

Faculty and staff at the Center for Youth Development and the Institute for Child, Youth, and Family Policy are always available and eager to provide more information about admissions and their research and practice portfolios. Susan P. Curnan is Director of the Center and can be reached at 781-736-3771. Lorraine V. Klerman is director of the Institute and can be reached at 781-736-3715.

**New state-of-the-art building to open in 2006 to enhance teaching, learning and research.**
